*** Applications receiving a score of less than 3.5 on any evaluation criteria will not be considered for Funding. / Les demandes qui ont reçu une note inférieure à 3.5 pour n'importe quel des critères d'évaluation ne sont pas admissibles.

*Note: As a result of some applications in your committee being categorized as large grants, there is an apparent discrepancy between the number of applications funded and your committee ranking. Your application has been approved for funding. For more information on the large grant envelope, please refer to the Funding Opportunity Description and the Frequently Asked Questions for the Open Operating Grant Program.
