Dear Dr. MENON:

We are pleased to inform you that the Canadian Institutes of Health Research (CIHR) has approved your recent application entitled "Steroid Use in Pediatric Fluid and Vasoactive Infusion Dependent Shock (STRIPES)". If you are receiving this letter through ResearchNet, your Authorization for Funding will follow in the mail otherwise it is enclosed in this package.

If you have not already received the review documents related to your proposal, please contact us. Should you have any questions about the review process, please address them directly to CIHR staff. Do not contact the officers or members of the peer review committee. As CIHR does not notify co-applicants of the decision, we ask that you inform those individuals involved, along with their research institutions (if different from your own), of the outcome of this application.

Congratulations on your success in this competition.
